JOB STATUS: UNTIL FILLED

POSTING DATE: 08/01/2020

CLOSING DATE:

POSTING NUMBER: 001423

LOCATION: Various

POSITION: School Psychologist

JOB DESCRIPTION: Halifax County Public School system offers an opportunity to advance skills in assessment, consultation, counseling, and intervention planning in the field of School Psychology. Specialized areas of interest can be emphasized.

JOB QUALIFICATIONS: Ed.S. in School Psychology

DUTIES AND RESPONSIBILITIES: Halifax County Public School system offers collaboration with an experienced staff of school psychologists. The school psychologists are based at the Central Office and are assigned schools to ensure experiences with pre-K through secondary level students. Bi-weekly peer supervision meetings are held to consult on assessment, RTI, counseling cases, and service planning.

Halifax County is a Southern Virginia community with an innovative approach to education. Halifax County Public School system has a model program of academies for secondary students to advance in various areas of interests. Psychological services are provided under a model of role expansion that includes full participation in the problem solving process of Child Study Teams, RTI Teams, Counseling Services, Consultation, Psychological Assessment, In-service Presentations, and Behavioral/Instructional Interventions.
